ch also supply everything from labels to custom postage stamps

packaging A number of pros we spoke with touted **papermart.com**. The site is a discount warehouse of gift-packaging supplies, including bags, boxes, tissue paper and butcher paper. Striped wrapping paper, \$16.59 for a 30' x 24" boxed roll.

stamps A relatively new online service popular with many planners, **photo.stamps.com** will custom-print real U.S. postage stamps (in a variety of denominations) with your photograph or original artwork. First-class stamp, \$18 for a sheet of 20.

personalized items Los Angeles planner Mindy Weiss used ivory cocktail napkins with a GG monogram from the company behind **foryourparty.com** for the wedding of pop stars Gwen Stefani and Gavin Rossdale. The firm custom-prints napkins, coasters, matchboxes, note cards and more. Matchbooks, clockwise from top: Slim Line, \$178 for 100, and Euro (in pink and blue), \$88 for 100.

invitations Order rich-looking invitations from **einvite.com** (from \$1 each) for an engagement party, a shower, a rehearsal dinner or an informal wedding. Green Apple Blossoms invitation with ribbon, 7 3/4" x 5 1/4", Checkerboard Ltd., \$231 for 50.

MORE IDEAS

- **confoti.com** This site will reproduce your photos on confetti (see page 311 for details).
- **pulpinvitations.com** Help outdoor-wedding guests stay cool during the event with fan-shaped programs (from \$480 for 50).
- **crane.com** Crane & Co. offers invitations and more in both contemporary and traditional designs (sets from \$500 for 100).
- **designhergals.com** Do as Melania Trump did and create an illustration of yourself for your stationery. Select hair color, body type and trademark accessories, and the site will print the drawing on letterhead (from \$90 for 50).
- **paperloveinvitations.com** The company's boxed invites are bedecked with real-looking silk orchids (from \$17).
- **photowow.com** The site will turn your engagement photos into Andy Warhol-style save-the-dates (design fee from \$75).
